

Michael Douglas (Mike) Hall
23 Aug 1929-8 July 2016
(Armstrong 1943 – 1946)

Born on Barville Park near Port Alfred and educated at the Sandholme Farm School, St Georges Prep and College, Mike became a Civil Engineer after studying at Natal University, Durban. He began his career in Swaziland and Rhodesia, where in 1958 he met his first wife, Lillian Gal, whom he married in 1958. They settled in South Africa where, during a productive and distinguished career, first in Johannesburg and later in Port Elizabeth, he became one of the country's leading water purification consulting engineers and a Director in the firm Stewart Scott (Pty) Ltd.

Following Lillian's death in 1990 he married Ethne van Zyl.

During 20 years of retirement in P.E. Mike was to the last a passionate vintage car enthusiast at one time owning six old cars and the garages to go with them.

Following a stroke in May he passed away in St George's Hospital Port Elizabeth.

He is survived by his wife Ethne and his children, Andrew (Armstrong 1975-77) and Christine (DSG 1976-78), step children, Ian and Lynda, nine grandchildren and six great-grandchildren.
