2016 Newsletter

Dear Member

2016 has been a rewarding year. The annual donations to St Andrew's College and to St Andrew's Preparatory were given at Prize Giving and Prep Feast, respectively. In addition, R300 000 has been pledged in memory of David Hodgson, a notable founding member of the 300 Club, towards the **#AcademicExcellence** project. Further donations, for the following two years, will also be made to the same project.

It is with great thanks to the sustained support and commitment from all members, that the 300 Club can continue to donate annually to St Andrew's College and Prep. Please accept our sincere thanks and appreciation.

For more information on the **#AcademicExcellence** project at College and Prep, please visit <http://www.standrewsacademicexcellence.co.za/>.
